

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Specifications and Advertisement for Bids for Disposal of Hazardous Waste

MEETING DATE: March 18, 1992

PREPARED BY: Assistant City Manager

RECOMMENDED ACTION: That the City Council approve the specifications and authorize advertisement for bids for disposal of hazardous waste.

BACKGROUND INFORMATION: Hazardous waste has accumulated over a period of many years at the Municipal Service Center. The hazardous waste consists of various solvents, paints, and contaminated oils, some of which have deteriorated to a point of being unrecognizable. State and federal laws require generators of hazardous substances to dispose of the materials in an approved manner. Since the City does not have facilities nor permits to dispose of hazardous waste, the City is required to hire a hazardous waste clean-up company to sample, analyze, transport, and dispose of the substances.

The bid opening has been set for Tuesday, April 7, 1992.

FUNDING: Operating Reserves

Respectfully submitted,

Jerry L. Glenn  
Assistant City Manager

Prepared by: Janet S. Keeter  
Administrative Assistant to the City Manager
